---

## Badge display

On the left hand side of a boy's blazer the following badges will be displayed:

- >> Prefect's badge (if attained), followed by colours or full colours in any of the areas listed
- >> The highest awarded badge should be displayed - not, for example, a first hockey and a full hockey. These will be ranked with a prefect's badge at the top of the blazer, followed underneath by green, red and black badges in that order
- >> As a Year 4, 5, 6 student, the Junior Colours badges would feature at the top of the left lapel of the blazer

On the right hand side of a boy's blazer the following badges will be displayed:

- >> Chapel monitor's badge at the top (if awarded) followed by any school service badges i.e. squad leader, librarian, art manager, chess manager and choir manager
- >> Only the highest or most current badge is displayed i.e. awarded that year, not from previous years

## Badge etiquette

- >> The owner of the badges is solely responsible for their placement and security
- >> You cannot wear the badge for a role of responsibility that you no longer hold
- >> Remove all badges that have been superseded e.g. remove Junior Sports Colours when you earn Sports Colours
- >> Only wear the highest level of Prep Fixture Pin
- >> Always keep your badges level and equally spaced
- >> Lost badges need to be replaced

# Citizenship

---

## **Citizenship Colours**

Individuals who satisfy the following criteria may be deserving of Citizenship Colours. Final decision to be made by the Headmaster and Senior Management Team.

An individual must consistently demonstrate our school motto 'Non Nobis Solum' in attitude and action. He should show a high standard of behaviour and a positive attitude towards all areas of school life. His general contribution to the life of the school must be worthwhile and significant. The recipient's contribution will always be positive and in the spirit of a "good citizen" of the school.

The 'Personal and Social Qualities' section of the school report will constitute a large part of determining which students are deserving of Citizenship Colours. Other aspects to consider are:

- >> Leadership roles
- >> Selflessness
- >> Tuakana-teina relationship with younger students
- >> Wider community service

## **Full Citizenship Colours**

Individuals who satisfy the following criteria may be deserving of Full Citizenship Colours. Final decision to be made by the Headmaster and Senior Management Team.

This is a natural extension of the Citizenship Colours award. It is an extremely high accolade and requires a boy to demonstrate all the attributes set out in the Colours award but to a very high degree and on a consistent basis. It is highly likely that the recipient would be a Year 8 boy as this is an 'over time' award.

## Junior Citizenship Colours

Individuals who satisfy the following criteria may be deserving of Junior Citizenship Colours. Final decision to be made by the Headmaster and Senior Management Team.

An individual must consistently demonstrate our school motto 'Non Nobis Solum' both in attitude and action. He should show a high standard of behaviour and a positive attitude towards all areas of school life. His general contribution to the life of the school must be worthwhile and significant. The recipient's contribution will be a positive one and in the spirit of a "good citizen" of the school.

The 'Personal and Social Qualities' section of the school report will constitute a large part of determining which students are deserving of Citizenship Colours. Other aspects to consider are:

- >> Leadership roles
- >> Selflessness
- >> Tuakana-teina relationship with Year 0-3 students
- >> Wider community service
