# Boarding Experience

## Gear List

**HEREWORTH**  
DESIGNED FOR BOYS

---

Boarding has always been a cornerstone of the whole Hereworth experience and is an integral part of our school.

Over several years we have now run a very successful two week boarding programme for Year seven and eight boys, and we now also offer this option for boys in Year 6. The boarding experience is unique and an education in itself, allowing boys to take part in the boarding culture.

If you have any queries or concerns, please contact your son's teacher.

### Dropping Off:

Please find below the options for dropping your son's gear to school for his two weeks boarding experience, commencing on a Monday (and including the weekend in the middle).

- You can drop off his gear on the Saturday morning prior 8.30 - 12 noon
- You can drop off his gear the Sunday night prior between 6-7pm
- You can drop off his gear, and your son, Sunday night prior between 6-7pm

### Gear List:

It is important all boys have everything on this list. We have kept it to a minimum hence you should not need to purchase any extra items of uniform. Please ensure EVERYTHING is very well named, if you use iron on labels please also write on the tags with permanent marker as the dryers are industrial size and these labels do sometimes come off. Regular boarders have woven labels. If it's not named there is not much chance of finding out whose pile to return it to!

Any medicines or the like must be handed in to Matron personally.

P.T.O. for list of items to bring
