HEREWORTH
DESIGNED FOR BOYS

Boarding is one of Hereworth's cornerstones and experiencing the boarding environment is an essential part of Hereworth life through the boarding experience programme.

Boarding experience is compulsory for boys in Year 7 and optional for those in Years 6 and 8. It runs from a Sunday evening through until the following Friday, incorporating the middle weekend (optional) to give the day boys a real feel for the experience of boarding.

There are ten options for boarding experience fortnights, starting towards the end of Term 1 with a limited number of places available for each fortnight. You can choose the fortnight that suits your family the best, and this flexibility allows for boys who are good friends but in different classes to come in together. We will only take the bookings from the family concerned, so please do not ring or email with a list of boys whom your son wishes to be in with.

Boarding experience fortnight's cross over exams, exam preparation weeks and sports trips. It is important to look at the calendar when selecting the boarding experiences dates for your son. Please do not leave this until the last minute to book, as you may miss out on your preferred dates. The full year calendar is on the website and the Hereworth app.

Only eight boarding experience places are available in the boarding house in any experience fortnight. This gives us room for boarding growth and some casual boarding at the same time, as well as not dominating our boarders' home with boarding experience boys.

Please contact Alan or Hayley Burnett by email, or call them directly to schedule dates for your son's experience. Their contact details along with a list of the boarding experience dates are below.

If you have any questions regarding this or the boarding house, please feel free to contact me directly ian@hereworth.school.nz or 021 042 1828.
